Euskampus-Bordeaux Eguna ikertzaileen topagune bat da, Euskampus Jakintza Guneetan esku hartu eta UPV/EHUren, Tecnaliaren, DIPCen, Bordeleko Unibertsitatearen eta elkartutako erakundeen arteko lankidetzan diharduten ikertzaileena, hain zuzen ere. Bestalde, Euskampus-Bordeaux Eguna gure hizkuntza eta kultur aniztasunaren aberastasuna ospatzeko eta bizitzeko topagune bat da, baita adiskidetasunezko harremanak ezartzeko ere. Akitania Berriko eta Euskadiko eragile desberdinen arteko adiskidetasun loturak ehundu edo indartzeko.
